RESPONSIBILITIES AND DUTIES

The following functions shall be the common recurring activities of the Committee in carrying out its purpose outlined above. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal, or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board from time to time related to the purpose of the Committee outlined above and shall have the authority to conduct and authorize investigations into any matter within the scope of the responsibilities delegated to the Committee as it deems appropriate.

3. review and make recommendations to the full Board, or determine, whether Board Members should stand for re-election. 4. evaluate candidates for nomination to the Board;
5. conduct all necessary and appropriate inquiries into the backgrounds and qualifications of possible candidates; and

The Board shall discuss the report and consider any recommendations set forth therein.
